Small Console From The Restoration Period

1 250 EUR

Signature : À définir

Period : 19th century

Condition : Très bon état

Material : Solid wood

Width : 70 à 80 environ

Description

Very pretty console table from the restoration period in blond mahogany. In very good condition! In its original condition and with its old patina. Sold as is! A rare model due to its proportions. Approximately 70 to 80 cm wide. Drawer with a doucine in front with pretty gilded bronzes. Claw feet. With a very beautiful curved jamb. High quality cabinetmaking furniture. Functional and very decorative! Rare due to its small dimensions.
