Description

Pair of bamboo and rattan wardrobes, Italy ca. 1960
Italy / 1960 / Pair of Wardrobes / rattan, bamboo / Mid-Century
Two stylish Italian bohemian bamboo wardrobes with two doors designed in the sixties. Each cabinet consists of a bamboo and wooden frame with two doors. The doors and side panels are covered with fine rattan cane wickerwork. Two large doors with bamboo handles reveal a space-saving combination of two compartments; one with three spacious shelves and the other with one shelf and a hanging area. Its generous dimensions offer ample space to store your personal belongings. These decorative rattan cabinets have been carefully maintained and still have all its original charm. The simple lines and the natural softness of the materials make these wardrobes an exceptional addition to any
