Description

Oil on panel. Signed lower right. Dimensions: 39 cm x 48 cm Born in 1928, Gaston-Luciano Faraoni, a painter from Florence, Tuscany, influenced by the Italian Impressionist, Macchiaiolo, draws inspiration from the landscape, capturing its bucolic atmosphere in a style of vivid realism. His application of color perfectly mimics natural textures. His brushwork is powerfully expressive and captures the characteristics of each form. Eschewing the traditional gliding brushstroke, which only creates an illusory texture, Faraoni's varied style contributes to the evolution of natural texture. With its great luminosity and pastel texture, Faraoni's brushwork is vivid and suggestive. Gradually, as the painting progresses, the full magic of the landscape emerges. Shipping: secure
