Description

Ounce mold - 18th century
Origin: Lorraine?
Mold offered on the occasion of a wedding, it bears the initials of the spouses, I and S, in a heart containing a religious cross. The decoration is completed with flowers, crosses ... and peripheral friezes. Undated, but made in the 18th century. Closure by ring on hook, articulation on rivet. Square section handles. Set in wrought iron in the mass on the model of the pieces of the 18th century. Very good condition. Length 88 cm, width 19 cm
