Description

Jarpen armchair by Niels Gammelgaard for Ikea 1980s The Järpen armchair, created by Danish designer Niels Gammelgaard for IKEA in 1983, embodies the spirit of 1980s Scandinavian design: a clean aesthetic, intelligent design, and careful industrial manufacturing. Its lightweight tubular metal frame covered in a beautiful black or white lacquered metal mesh ensures both strength and minimalist elegance. This model, although designed to be affordable, has become an iconic design highly sought after on the vintage market. This armchair is based on delicate and balanced lines--its compact dimensions (approximately 63 cm wide, 70 cm deep, and 66-71 cm high) make it a perfect piece of furniture for any space, offering a modern and graphic touch to the interior. It is sometimes
