Description

Very beautiful Asian vase from Canton decorated with battle scenes with horsemen. Very good quality enamel. In very good condition. (Slight chip of 4 mm under the collar at the top of the vase. Not visible when placed. Quite heavy with good stability! Height of 46.5 cm for a neck diameter of 17.5 cm and 15 cm for the base. Visually very beautiful old piece! Very decorative with its colors and its work!
