### Description

Wonderful and unique chest of drawers from a historic Florentine residence where it was located in the wing dedicated to the family library. The cabinet features a total of 34 drawers including the small but deep secret central drawers. To make the chest of drawers even more precious are the essences used for inlays and slabs: walnut, thuja roots, cherry, mahogany, maple and olive trees alternate in a wonderful cabinet-making exercise. Top in white statuary Carrara marble. Measurements 134x53 height: 200 cm
