Description

Fine Arts Salon (late 19th - early 20th century)
Important bronze group, signed on the base.
Superb and imposing bronze group depicts a uniformed huntsman, blowing a hunting horn and holding two hounds. Bronze cast, with the stamp of the Société des Bronzes de Paris. The casts of the Société des Bronzes de Paris were renowned for their high quality and are highly sought after today. This large sculptural group is a fine example of the collaboration between Lecourtier and Masson, who often worked with human figures. Height: 81 cm.
