Description

Liturgical set: cross, lampposts and holy water font.- Large chapel, processional or altar crucifix, height 185 cm, in gilded brass and polymer. The Christ is in cast brass, numbered on the reverse (2536). Simple cross in modernist style.- Two large electric lampposts, height 130 cm each, equipped with translucent glass false flames. Plastic sockets, connections at the base, rear sockets. Functional, used condition with visible scratches and traces of oxidation.- Holy water font on matching stand, height 80 cm, brass cup with its original beater (aspergillum). Beautiful balance of forms, refined decoration typical of liturgical productions of the 1950s-1970s. The parts are removable for easy transport and assembly remains simple.
