Description

Rare 18-carat gold Fidelity Vintage collection bracelet featuring 12 Figaro links with "cut-out and pierced" plaques, 13 oval connectors, and a clasp bearing the Cartier monogram. This model is illustrated in Jacques L'Enfant's book (1996) *Le Livre de la Chaine*, published by Scriptor, Paris, on pages 47-48, which suggests that this piece comes from his workshop. The Cartier signature is visible on the edge of the first link, and perhaps another, but very faded, inscription is visible on the edge of the last link.
