

Boutis, Blanket, Bedspread, Double-sided Floral Pattern. Early 20th Century

250 EUR

Period : 20th century

Condition : Bon état

Description

Boutis, blanket or bedspread in fine and supple wool with floral patterns in pastel colors on one side and brighter colors on the other side. To specify: some mending, and one or two holes (see photos) but nothing too bad, however, do not miss the fabric for the restoration. The blanket is light and supple, although in wool (has been to the draper) very pleasant because not heavy but keeps super warm. size: 180 x 225 cm free shipping in France by Colissimo
