

Large Plaster Sculpture Statue Of A Roman Goddess In An Antique Garden

3 000 EUR

Period : 19th century

Condition : En l'etat

Height : 165

Description

Rare large plaster sculpture of a Roman goddess probably stayed in a park for a long time. Note some small scattered accidents. It remains standing thanks to a wedge. It must be restored, as well as a fragility to the head (see photo) and some tunnels due to the rain (see photo), but this gives it a very antique appearance.
