Description

Pair of 1950s period andirons depicting two horse heads attributed to Jacques Adnet. Very beautiful pair in solid bronze in excellent condition with a very beautiful definition of sculpture for these two horse heads proudly holding a gilt bronze chain gilded with fine gold. Period andirons having surely been used very little given their excellent condition. Pair to be placed in a beautiful fireplace for possible use and as very decorative collector's items. Possibility of sending in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
