Former Boarding School Changing Room (renovated)

750 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Oak

Description

Very rare old oak school / boarding school cloakroom. Materials: oak (veneer).

Characteristics: this vintage cloakroom is composed, on the left side, of a full-height cupboard with two shelves and a hanging rail. On the right side, it has two shelves and a closed cupboard with two interior shelves. Both doors work perfectly. The left door still has its hook for the padlock. Renovation: this vintage cloakroom has been completely renovated and washed. It has been sanded on the outside and inside to remove its worn varnish and give it a clean look. The exterior has been lightly stained and then protected with a colorless matte varnish. The light gray metal foot has been lightly sanded.

Dimensions: L87 x D56 x H175. Left cupboard: L42 x D53 x H156. Right cupboard: L37 x D53 x
