Description

Elegant Venetian sideboard in solid walnut, dating from the 18th century, distinguished by its typical canted corner shape. The front features two central doors and two lateral doors, all with finely moulded panels, while the upper section includes a central drawer flanked by two lateral drawers. Well-proportioned, the piece measures 185 cm in width with a shallow depth of 50 cm, making it both impressive and practical. The sideboard is in good overall condition, already restored and ready for use. The only note concerns the replacement of the feet. Small blocks and structural adjustments are present, consistent with age and use. Date: 18th century Material: solid walnut Dimensions: 185 × 50 × 107 cm For further information, high-resolution photographs or technical details,
