Description

A sumptuous coffee table in Swiss pine, finely carved and painted in white with refined gold-plated mecca trim. The truncated pyramid legs, in neoclassical style and embellished with pilaster strips, support an elegant flowered alabaster top that gives the piece a touch of sophisticated refinement. The mecca decorations, present on both the top and the legs, alternate geometric motifs with floral details on the ends of the feet, enhancing the harmony and elegance of the overall piece. This is a charming coffee table, capable of furnishing any space with taste and refinement. Italian manufacture in neoclassical style,
