Pair Of Delft Earthenware Candlesticks With Wrought Iron Base - 19th Century

1 080 EUR

Period : 19th century

Condition : Bon état

Height : 85 cm

Description

Pair of earthenware candlesticks decorated with blue motifs on a white background finished with chimeras, this is typical of DELFT earthenware. The base is made of particularly ornate wrought iron of very fine workmanship with its volutes and the top finished with a fleur-de-lis which recalls the medieval/Gothic style. The combination of worked wrought iron and DELFT decorated earthenware is quite unique and gives it a unique and very decorative appearance. They are ready to be electrified
