Song Dynasty Ceramic Oil Lamp.

300 EUR

Period : Before 16th century

Condition : Bon état

Height : 14,7 cm

Description

Superb oil lamp from the Song Dynasty (960-1279). Very thick black glaze that extends down to the foot, revealing the bare ceramic at the base. The lamp is decorated with two lion heads on each side. The base is hexagonal in shape with small stylized motifs. Beautiful cracks due to age.
