

## Castelli Plate. Late 16th - Early 17th Century

1 350 EUR

Period : 17th century

Condition : Bon état

Material : Ceramic

Diameter : 42

### Description

Castelli manufacture, first decade of the 17th century. Majolica display plate decorated with a compendiary garland in shades of blue, yellow, and ochre on the rim and with a central reserve. The narrow brim and wide hollow centerpiece feature a male figure. The scene is framed by the typical Castelli garland with plant swirls.
