Description

Very beautiful opalescent glass fruit bowl signed by Edmond Etling 1878-1918. Art dealer, gallery owner, designer, French manufacturer of high quality decorative objects! Bronzes, ceramics, art glass in Art Deco style. Here is a magnificent bowl mounted on a gilded metal base. Very beautiful design from the 1930s. In very good condition! Remarkable work! Quite heavy and very stable! Diameter of approximately 35 to 40 cm and approximately 20 to 25 cm in height. Superb opalescent glass color!
