

## Empire Candelabra With Winged Women

7 500 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 20 cm

Height : 78 cm

### Description

Elegant pair of late 19th century bronze candelabra with gilded and black patina depicting a winged woman reminiscent of the goddess Nixé, holding in her arms two torches with chimera subjects on a base sculpted in low relief with friezes of foliage and vines, as well as draped figures in the antique style framed by fluted and rudenté uprights, black marble base. A re-welded volute and missing the tail of a winged lion.
