

## Window Surround, Antique Crochet Curtains With Cascading Bunches Of Grapes. 19th Century

130 EUR

Period : 19th century

Condition : Bon état

Material : Linen

### Description

Antique ivory crochet window surround, with beautiful bunches of grapes on the sides and in the center. Originally there was a light veil on each side (which had to be removed because it was in poor condition) however it would be quite possible to find a pretty fabric and restore it to its original appearance. Length 190 cm Height in the center (from the top to the bottom of the bunch of grapes) 67 cm Height on the side edges 128 cm
