Description

A CHASSEPOT sabre bayonet...Manufacture of SAINT ÉTIENNE...With the forged steel blade...Bronze handle...With all its numbers and stamps on all parts of the handle and the blade...Dated 9 bre 1870...In good condition in its own juice...Missing the scabbard...The attachment button is fully functional...With an engraved inscription before the date...Mre Nlit De CHATt...Not sure I've transcribed everything correctly...I'll be informed eventually...Because I'm not a specialist in bladed weapons...Even if I have a few for sale...Weight ... 680 gr
