Description

Bronze lamp base with dark green patina, good size (48 cm high), Cat's Paw model. Very elegant in the purity of the line, the base is similar to a sculpture. The model - unsigned - is that of Cat's Paw from the House of Tiffany. Very good condition, the lamp has never been electrified, originally it is an oil lamp with its small round reservoir. Period: 1910 - 1920 Delivery costs in France by Colissimo with tracking: EUR35
