### Description

These luggage racks were handmade in the 1960s. Made from oak in the Thonet factory, they retain the original manufacturer's plaque on the base; please see the corresponding photo.

Decorative and practical for a guest room, they make an ideal set for a boutique hotel. The German company Thonet still produces furniture. With over 200 years of history, it is renowned for its bentwood and tubular steel furniture. Its designers have always been passionate about the materials they use and work with exceptional precision. The combination of cutting-edge production technology and traditional craftsmanship has made Thonet one of the most successful furniture companies in the world. The price indicated is per pair, 2 pairs available.
