Description

Lithograph by Krystyna Smiechowska, Polish 1935-2014Krystyna Smiechowska (born 1935) is a Polish artist whose works are featured in several museums, including the Musée national des beaux-arts du Québec and the Portland Museum of Art. Trained in printmaking techniques, she has distinguished herself in lithography and etching. Her compositions combine abstraction, lyrical forms, and subtle colors. She is regularly featured in international auctions. Her signed and numbered works are sought after by collectors for their modernity and refinement.
