

Large Tapestry "the Lady And The Unicorn" - Musical Scene With A Portable Organ

300 EUR

Period : 20th century

Condition : Etat d'usage

Width : 133

Height : 220

Description

Elegant tapestry inspired by the famous hanging: the lady plays the portable organ, assisted by her maid, while the lion and the unicorn frame the composition. The red background strewn with flowers, birds and small animals creates a captivating medieval atmosphere. Dimensions: 133 × 220 cm. Antique condition, with visible stains, wear and small alterations (see photos). Rare and decorative tapestry, today difficult to find in this format. Another panel from the same series is also available.
