Description

Henri d'Amfreville (1905-1964) : "Portrait of a Young Man", oil on canvas 73 X 60 cm, mounted in a beautiful Renaissance-style gilt frame 92 X 77 cm. Signed and dated 54, very small restoration in the lower middle, cracks and mark on the stretcher, small flakes (friction of the stretcher) in the lower left. Also known as a writer, his paintings often have an underlying erotic connotation. Our painting, with its intense palette and outlined features, shows us a young blond man in an aesthetic with stained-glass accents characteristic of the period.
