Description

France, First Half of the 20th Century Patinated metal
Dimensions: width 35.5 cm × depth 15 cm × height 24 cm
Elegant patinated metal sculpture depicting two horses in motion, rendered with great sensitivity and refined anatomical detail. The dynamic composition and harmonious lines highlight the quality of the casting and the artist's craftsmanship. The dark, uniform patina enhances the volumes and lends the piece a timeless, sophisticated character. Mounted on an oval base that completes the composition with balance and elegance. A decorative and naturalistic piece, typical of early 20th-century sculpture, ideal for collectors and lovers of animalier art. Condition: excellent, with minimal age-related wear.
