Louis XV Provençal Walnut Console, 18th Century

3 300 EUR

Period : 18th century

Condition : Très bon état

Length : 101

Height : 79

Depth : 72

Description

Very beautiful Louis XV Provençal console table in molded and carved walnut. Large scalloped apron decorated with fleurons and floral scrolls framed in reserves. It is of an eventful shape and rests on arched legs ending in ribbed sabots, unusual. It has a large side drawer. This beautiful piece of furniture is typical of Arlesian bourgeois production. 18th century period
