

Old Cut Crystal Vase

90 EUR

Period : 19th century

Condition : Etat d'usage

Material : Crystal

Diameter : 13 la base, 7 au col

Height : 29

Description

Slender vase with sinuous lines, in cut crystal. Probably a French production, dating from the late 19th to the early 20th century. Good overall condition, with no cracks or chips. A matte line should be noted (see last photo), most likely caused by a lime deposit, which could not be removed with ordinary household products.
