Description

We present this elegant Italian walnut desk dating back to the mid-19th century. Featuring simple lines and a lack of excessive ornamentation, the legs are crafted with refined turning. The front features a large drawer for storing your items. The top is upholstered in elegant brown leather, embellished with a decorative gold frame. Keep in mind that the desk was designed to be placed in the center of the room, so you can choose where to place it. You can certainly consider placing this elegant desk in your office, living room, bedroom, or any room in your home where you need to complete your office work without sacrificing elegance. We can arrange worldwide shipping; contact us for more information.
