

Pair Of Crystal Candlesticks

850 EUR

Signature : À définir

Period : 19th century

Condition : Bon état

Material : Crystal

Diameter : 14x6

Height : 24

Description

Very pretty pair of crystal candlesticks.

Crystalwork to be defined. Unsigned. One of the candlesticks has a small piece glued back on the neck. Not too visible! Beautiful quality model!

Quite heavy and stable! Height of 24 cm for a diameter at the base of: 14 cm and for the neck of 6 cm. Visually very beautiful candlesticks! With very beautiful crystal work in decoration.
