Regency Période Walnut Chest Of Drawers

2 500 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Description

Regency period walnut chest of drawers in its original condition. It is curved on all sides and opens onto three drawers. It has a beak-shaped top in solid wood. Louis XIV style legs. A very interesting movement for this piece of furniture that will find its place in a charming classic decor or in a more contemporary setting.
