crystals from the 50s are starting to be sought
after, especially those of color which are in order
from the least rare to the rarest: white, pale
yellow, amber yellow, green, pale ice blue,
turquoise blue or finally pigeon red throat which
is by far the rarest color, I had a vase a long time
ago I have never seen one again. Sometimes
Daum added bubbles in these creations. There is a
very beautiful book on Daum crystals.
