Description

This contoured plate is attributed to the Ferrat factory in Moustiers. Produced around 1780. It is painted in green monochrome, in the center is a fantastic bird on a grassy mound, the wing, bordered by a wide green net, is decorated around the edge with small houses. A slight crack is to be noted on the right at the level of the small house, it is otherwise in very good condition and has a beautiful enamel. Period 18th century. Diameter 24.3 cm.
