

Antique Baccarat Crystal Decanter, Rohan Model

70 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Height : 27,5 sans bouchon

Description

Crystal decanter, acid-etched, Rohan model, produced by the prestigious Baccarat crystal manufactory.

Created in the 19th century, this model has remained one of the most emblematic of the Baccarat house, distinguished by its finely acid-etched decoration of scrolls and arabesques. The decanter is unmarked, thus a production prior to 1936, the year when the «Baccarat France» stamp became systematic. The absence of a mark therefore confirms an earlier manufacture, yet there is no doubt as to its authenticity. Condition: good overall condition, very slight signs of use, replacement stopper not original.
