

Ruby-colored Bohemian Crystal Stemmed Glass, Late 19th Century

200 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Height : 17

Description

Refined stemmed glass in cut Bohemian crystal, adorned with a rich enameled and gilded frieze. The body features circular cartouches hand-painted with polychrome floral bouquets, separated by a deep ruby background - appearing black in the photos - and enhanced with delicate gilded motifs. The combination of finely cut clear crystal, intense ruby red, and gold and enamel highlights gives this piece a sumptuous shine and timeless charm. A testament to late 19th-century glassmaking expertise, this 17 cm tall glass is a true collector's item, combining decorative elegance and artisanal refinement.
