Description

Belgium / 1930 / 6 dining room chairs / wood, faux leather / Art DecoSet of six dining room chairs in carved solid wood with original lush dark green upholstery and sprung seats. This elegant set from the Art Deco era impresses with its clear lines and elegant design. The slightly curved backrest not only ensures comfort, but also gives the chairs a harmonious silhouette. The geometric carvings on the wood and decorative nails underlines the character typical of the time and makes the chairs a special eye-catcher in any living or dining area. Some signs of wear shown on the pictures. The ergonomic design of the chairs offers optimal support, making them perfect for both casual family dinners and formal gatherings. With their classic silhouette, these chairs effortlessly complement any decoration
