

Antique Asian Rigid Bracelet With Dragon Decoration

180 EUR

Period : 20th century

Condition : Bon état

Description

Antique rigid bracelet, Asian-inspired and probably made of handcrafted silver. This piece is distinguished by the finesse of its ornamental work: a delicately chiseled and granular decoration that runs across the entire surface, highlighting a magnificent dragon head. Symbol of power, protection and prosperity in the oriental tradition, the dragon gives this jewel a unique and timeless charm. Its rigid clasp, accompanied by a safety chain, combines elegance and practicality. With its internal diameter of approximately 5.5 cm, it can be worn as a piece of character jewelry or as a true collector's item. Dimension: internal diameter 5.5 cm
