

## Painting On Copper Depicting A Jesuit Saint, Spanish School, 18th Century

270 EUR

Period : 18th century

Condition : Très bon état

Material : Oil painting on copper

### Description

Painting on copper dating back to the 18th century - Jesuit saint, Spanish school - I was unable to give a precise connotation to the saint - The saint is holding a book in his hand and in the other hand it seems a red vase or ampoule (probably the blood of Christ) - Other symbols on his right a tree and a crown - Good workmanship, excellent condition mounted on a small gilded wooden frame - size h. 16.5 cm - w. 12.5 cm
