Height : tête de bague: 1,03 cm environ

Description

Contemporary ring in 750/° yellow gold (18 KT, owl hallmark), adorned in its center with a large oval cabochon white opal from Australia, enhanced by a surround of brilliant-cut diamonds. The opal, remarkable for its dimensions, presents varied colors including particularly prized reds and oranges (whose photos do not truly render the brilliance or depth). These colors are distributed evenly, and change according to the inclinations caused by the movements, which makes this stone particularly unique, lively and remarkable. The classic daisy shape has been treated here in a more contemporary and original way, arranging the diamonds dissociated from each other in a star around the opal. The closed setting in the center highlights and highlights the opal, while the prong settings of the diamonds are discreet for an
