Antique Cloak Buckle In Metal And Jet Glass

60 EUR

Period : 20th century

Condition : Etat d'usage

Material : Metal

Length : 16

Diameter : 7

Description

French cloak buckle, early 20th century, c omposed of two openwork metal circles with a silvered, probably chromed finish, interlocking with each other. At the center, a faceted jet glass cabochon adds brightness and refinement, in the style of early 20th-century fashion accessories.Condition: some traces of oxidation on the ferrous metal, otherwise in good overall condition.
