Description

Watch signed ROLEX, DATEJUST model from the year 1987 in gold and steel: the steel case is enhanced with a notched bezel in 750/°° yellow gold (18 KT). The watch is offered on a leather strap but can subsequently be adapted to a steel bracelet with folding clasp. It is equipped with a mechanical movement with automatic winding, provided with a dato with magnifying glass on the glass, and a very useful function of rapid date change. This Datejust is here equipped with a very beautiful black dial highlighted by the yellow gold bezel. It is accompanied by a Rolex box as well as papers in the form of an international service card, reporting a revision carried out in May 2011. It is equipped with the caliber 3035. Its glass is in plexiglass as required for the period, the case back and the screw-down
