Description

Medallion armchair in leather. The trapezoid shape of the curved seat (40 cm) is enhanced by the medallion shape of the backrest. The molding of the belt highlights the rosette connecting dice. The upright alternates between inward and outward fluting. The spindle shape of the base is finished in a spinning shoe. The molding of the medallion completes this harmonious balance. Originally lacquered in white, the raw finish patina offers a bottle green color full of nature! Delivery possible not included in the price.
