Late 18th Century Large Qing Tray

800 EUR

Period : 18th century

Condition : Bon état

Material : Porcelain

Diameter : 36

Height : 36

Description

Beautiful large round tray in polychrome porcelain. The tray is painted with geometric and floral decorations in shades of yellow, blue, and orange, lending elegance to the tray. The decorations also feature on the back, with small branches and flowers. This is a highly prized decorative object, capable of adding a touch of oriental antiquity to any space. Chinese manufacture, Qing period, around the end of the 18th century.Dimensions: H x DM 36 x 36cm
