

Napoleon III Clock With 4 Columns From The 19th Century In Wood And Marquetry

200 EUR

Period : 19th century

Condition : Etat d'usage

Material : Wood marquetry

Width : 27cm

Height : 52.5 cm

Depth : 16cm

Description

In fair condition with few or no missing parts. I don't think I saw any missing parts and all around. Wood / marquetry / brass in threads / bronze brass metal mechanism. The key is there, the click finally winds up both... and the pendulum makes its noise, it must work.....
VERY NICE SET I have other photos. Overall dimensions of the board: Height: 52.5 cm Width: 27 cm Depth: 16 cm
