

Transformation Card Game, 19th Century

240 EUR

Signature: in connu

Period: 19th century

Condition: Quelques manques

Material: Cardboard

Description

Incomplete set of a German transformation card game from the first half of the 19th century allowing, in the form of questions and answers, to create a multitude of comic characters by changing, at will, one of the three cut-out parts of the character. It is attached some pieces from two other card games. The set is kept in what seems to be its original box. It measures 9.7x7x3cm.
