1 850 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 107 cm

Height : 143 cm

Description

Louis XVI period trumeau in painted wood, carved and gilded wood, painting on canvas. It has a mirror in the lower part, surrounded by moldings with patenotres (rosary pearls and olives), foliage and bouquets of flowers. In the upper part in a large medallion with moldings carved with patenotres and foliage, a beautiful period painting "landscape" with shepherds along a river (painting not relined). Period mercury mirror. Period parquet flooring. Very decorative ensemble, perfectly sincere and of favorable dimensions. French work from the end of the 18th century.
