Description

Cherry wood occasional furniture. The arch of the lower part of the box enhances the flat columns of the jamb. The recessed ogee base enhances the thickness of the shelf. (h 8 cm) The cut-off molding is found: on the underside of the top then the upper and lower part of the uprights. The tops are flamed only in two panels. The three drawers are enhanced by bronze knobs. Also ideal in the middle of the room thanks to its four qualitative faces. Delivery possible not included in the price.
